CORPORATE PARTNERS

CENTURY CLUB

Limited to a select membership of 100

corporations, the Century Club offers a unique opportunity for companies to gain valuable benefits while creating an effective partnership with the Lundquist College of Business. Based on their membership level, corporations will enjoy a variety of benefits, including preferred access to student recruits

and interns, access to beneficial faculty research, student and faculty teams to work on projects, and invitations to join us at special events throughout the year. By joining this elite group, your corporation will develop a close partnership

with the college. As our “special friends,” you will enjoy the best we have to offer.

Each corporation’s generous contribution will be strategically invested by the dean in the college’s top priorities. Should the corporation choose to have a primary affiliation with one of our centers of excellence—Securities Analysis Center, Warsaw Sports Marketing Center, Lundquist Center for Entrepreneurship, or Center for Sustainable Business Practices—then half of the corporation’s contribution will be allocated to that preferred center.
